

Jason and Elizabeth

Jason and Elizabeth are a wonderful couple who live in a small town just outside of Nashville. They look forward to showing a child unconditional love, and sharing with the child the great amount of love that the child's birthparents had for him/her.

Jason and Elizabeth enjoy going to car shows, traveling around the country, taking Jason's four children to events, and attending concerts. Jason and Elizabeth are also car collectors.

Jason is retired from the military, and works as an instructor for a local company. He enjoys fishing and spending time with his kids. He also enjoys anything car-related... car shows, working on cars, or watching car shows on television.

Elizabeth works in marketing, and is well known among family and friends for her excellent baking skills. Her favorite color is pink and she enjoys reading. She also enjoys decorating the family home for each different season.

"Families don't have to match. You don't have to look like someone else to love them."
