

Jack, Emily, and Gabrielle

Jack and Emily are a wonderful couple who reside in Tennessee with Jack's daughter, Gabrielle. They look forward to adding another child to their family, and Gabrielle is excited to be a big sister!

Jack is a licensed massage therapist, and Emily works for a pharmaceutical distribution company. They enjoy traveling and exploring new cities, attending music concerts, running half marathons and trail runs, and going out on the lake. Jack and Emily are very close with their extended families, who look forward to welcoming and loving another child!

October is a fun month since Jack and Gabrielle both have birthdays, so Halloween is always a special fun holiday for them!

Jack and Emily love trying new things, such as music, food, and crafts like glass blowing, stained glass, and screen printing. They also love cheering on the Nashville Predators and Tennessee Titans!

Trust in the Lord with all your heart; and lead not into your own understanding. In all ways acknowledge him, and he shall direct your path.
