All fees are charged at the current rates when services are provided. Fees may change while a family is in an adoption process.

Updates are required if a family does not receive a placement within the state mandated time frames. Addendums may be required for various life changes.

Home Study Only families that require consulting assistance, including assistance with requests for evidence or extensive supporting documentation will be billed the hourly rate of \$200 in ¼ hour increments. Advocacy efforts beyond a typical home study toward state foster adoptions and/or ICPC assistance will be billed the hourly rate of \$140 in ¼ hour increments.

Families with additional adult household members, previous criminal history, mental health concerns, medical history and other aspects that require additional consultations from ABI's clinical team or case workers will be charged for the additional time required to assess their case at the hourly rate of \$140 in ¼ hour increments. Families who have resided

in multiple states and/or other countries will be charged additionally for the staff time to coordinate receipt of required child abuse checks.

For international adoptions, if the family or the family's placement agency (as is typical) requires ABI to enter into an exempt or supervised provider agreement the above delineated additional coordination fee is in addition to the home study fee. This is to cover the costs of reviewing placement agency specific agreements, providing additional consultation and coordination with the placement agency.

For domestic adoptions, certain agencies and/or consultancy firms require hard copies of documents, multiple copies and/or additional requests outside the normal home study process. These situations will incur the domestic coordination fee to cover staff time.

Mileage is charged at .52 per mile with additional travel time charged at \$25 per hour. Mileage expenses only are paid separately and directly to the case worker by adoptive family. This payment may be done via check, PayPal or Venmo based on family and worker mutual decision. Travel time will be added to the cost of the home study and paid through the agency for appropriate distribution.

Home study fees are due at time of initiation of services. 50% is refundable after the Initial Interview should a family elect to withdraw. After Individual Interview, no home study fees are refundable.
